

Call for Participation

We invite you to join us in **8th International Conference on Software Engineering (SEC 2022)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Software Engineering and Techniques. The goal of this Conference is to bring together researchers and practitioners from academia and industry to focus on understanding Modern software engineering concepts and establishing new collaborations in these areas.

Highlights of SEC 2022 include:

- 9th International Conference on Signal and Image Processing (SIGL 2022)
- 9th International Conference on Artificial Intelligence and Applications (AIAPP 2022)
- 8th International Conference on Cryptography and Information Security (CRIS 2022)
- 9th International Conference on Cybernetics & Informatics (CYBI 2022)
- 8th International Conference on Data Mining and Applications (DMA 2022)
- 9th International Conference on Computer Science and Information Technology (CoSIT 2022)
- 3rd International Conference on Big Data (CBDA 2022)
- 3rd International Conference on Natural Language Processing and Machine Learning (NLPML 2022)

Registration Participants

Non-Author / Co-Author/ Simple Participants (no paper)

250 USD (With proceedings)
